PROFESSIONAL SUMMARY

TYBSc Computer Science student specializing in Data Science and Machine Learning, with hands-on experience in data analysis, predictive modeling, data visualization, and dashboard development. Proficient in Python, SQL, Pandas, NumPy, Scikit-learn, Matplotlib, and Streamlit, with a focus on applying data-driven methods to practical business and analytical problems.

TECHNICAL SKILLS

Programming: Python, SQL

Machine Learning: Regression, Classification, Feature Engineering, Model Evaluation

Tools: Git, GitHub, VS Code, Jupyter Notebook, Google Colab

Data Analysis: Pandas, NumPy, Data Cleaning, Exploratory Data Analysis

Visualization: Matplotlib, Seaborn, Streamlit, Data Storytelling

Core Areas: Statistics, Predictive Analytics, Dashboard Development

PROJECTS

Digital India Dashboard

- Built an interactive dashboard analyzing India's digital transformation across GDP, literacy, internet usage, smartphone adoption, and digital payments. Used Python, Pandas, data visualization, and Streamlit to transform multiple datasets into an accessible analytical dashboard.

IPL Legends Analytics Dashboard

- Developed a cricket analytics dashboard for player comparison, performance evaluation, and statistical visualization, enabling users to explore player-level performance and compare analytical metrics.

Car Price Prediction

- Built a regression-based machine learning model to predict vehicle prices using Python, Pandas, and Scikit-learn, including data preparation, feature handling, model training, and evaluation.

Sales Forecasting System

- Developed a predictive analytics system to forecast future sales trends and support data-driven business decision-making through analysis of historical sales patterns.

CERTIFICATIONS & PRACTICAL EXPERIENCE

Associate Data Scientist — DataCamp

Certified June 2026

GenAI Powered Data Analytics Job Simulation — Tata / Forage

EDA, risk profiling, AI prediction, data storytelling

Data Science Virtual Internship — CodeAlpha

Apr–May 2026

Data Visualisation: Empowering Business with Effective Insights — Tata / Forage

Business framing, visualization, insights and analysis

EDUCATION

Bachelor of Science in Computer Science (TYBSc)

K. V. Pendharkar College, Mumbai University | 2024–2027
